

CN APELL - RO

CN APELL-RO is a Romanian independent, non-governmental and non-profit organization.

CN APELL-RO is responsible for the overall organization of all four civil protection field exercises.

IGSU

The Romanian General Inspectorate for Emergencies Situations (IGSU) – is responsible for the implementation of specific legislation, at national level, in the area of civil emergencies, protection of life, goods and environment against fires and disasters, as well as for the accomplishment of civil protection measures and for the management of emergency situations.

PARTNERSHIP

Our multinational partnership consists of several national civil protection agencies and NGOs. Each partner brings in its unique responsibility and extensive expertise based on the principle of complementarity.
